RAVI MISSION & VISION

OUR MISSION

To establish a thriving community of recyclers dedicated to conserving resources through the implementation of comprehensive programs that results in waste reduction, reuse, and recycling

VISION

All residents and visitors will engage in waste reduction practices by supporting and participating in recycling programs in the territory.

WHY A MEMBERSHIP FEE?

The Recycling Association of the Virgin Islands (RAVI) is establishing itself as an organization that regards recycling as a high priority in our community. In order to become viable, we need financial support and commitment from our members.

Instituting membership fees will help us to become fully operational. We will use the fees in a variety of ways, including mailing, petty cash purchases, advertising and promotional items, costs of exhibits, membership dues to the National Recycling Coalition and the Virgin Islands Resource Conservation & Development Council, Inc. (V.I. RC&D, our fiduciary), and to purchase our own web domain address, hosting and website.

It is our intent to begin branding and marketing RAVI and to find Sustainable "Green" Members that will help to pay for our membership advertising campaign, which will brand our organization and promote recycling.
